

# VACANCY: INSTRUMENT FITTER (X2)

Tropik Wood Industries Limited (TWIL) owns and operates the largest sawmill, Fiji's only chip mill and is also an independent power producer, selling electricity into the national grid.

We are seeking to recruit experienced, highly motivated and dynamic persons for the following positions of **Instrument Fitter (X2)**.

## Responsibilities

This will involve:

- Diagnosing issues relating to instrumentation or fault finding;
- Checking instruments for accuracy and calibrating to specifications;
- Installing industrial instruments and equipment;
- Dismantling and re-assembling delicate mechanisms or electronic circuits;
- Overhauling instrument systems;
- Checking performance using testing and measuring instruments;
- Setting up computers, control equipment and interfacing computers to control systems;
- Scoping and designing instrumentation upgrades;
- Any other duties/tasks as assigned by supervisor/manager.

## Qualification & Experience

The successful candidate must have the following prerequisites:

- Trade certificate in Instrumentation;
- At least 3 years of experience in the field of instrumentation;
- Knowledge on steam boilers and turbo generator;
- Knowledgeable in PLC & SCADA;
- Display strong attention to detail and accuracy;
- Knowledge in computer and PLC programming software.

Excellent communication skills combined with the ability to work in a challenging environment is essential.

Applicants should write in by Friday, 15<sup>th</sup> October, 2021 with a comprehensive resume to the following link <https://www.tropik.com.fj/careers/>
