

## VACANCY : WOOD MACHINIST (X2) (re-advertised)

Tropik Wood Industries Limited (TWIL) owns and operates the largest sawmill, Fiji's only chip mill and is also an independent power producer, selling electricity into the national grid.

We are seeking to recruit experienced, highly motivated and dynamic persons for the **Wood Machinist** (x2) position which will be based in Drasa, Lautoka:

### Responsibilities

This key role involves processing timber into finished products and ensuring that the finished product complies with the Quality Standards.

### Specific Tasks:

- Perform timber processing machine maintenance which include alignment, replacing guides, replacing bedplates, bearings, chains, etc.
- Inspect lumber to ensure quality standard.
- Troubleshoot and analyse equipment to eliminate downtime.
- Replace, sharpen and join knives.
- Conducting tests and inspection of products, services, or processes to evaluate quality or performance.
- Detect and provide solutions for operating errors.
- Ensure the observance of strict OHS protocols.
- Any other task/duty as advised by management.

### Qualification & Experience

The successful candidate must have the following prerequisites:

- Diploma in Wood Machining field.
- Minimum of 3 years' experience in a similar position.
- Team player, highly motivated, proactive and innovative.
- Display strong attention to detail and accuracy.
- Positive attitude and have the ability to work under pressure.
- Be physically fit.
- Flexible attitude towards working hours.
- Strong analytical and problem-solving skills.

Excellent communication skills combined with the ability to work in a challenging environment is essential.

Applicants should write in by Friday, 24<sup>th</sup> June, 2022 with a comprehensive resume to the following link <https://www.tropik.com.fj/careers/>
