

TENDER – TWIL Ref # 001/2024 BUSINESS CASE STUDY

Fiji Pine Group is setting up a new carriage sawmill to process large end diameter logs 1,500mm, mostly mahogany for overseas market. The carriage sawmill will have an estimated daily log intake of 180m³ and an expected daily timber production of 90m³ per 8hour shift.

Carriage sawmill is expected to be

- A state of the art facility with reliability on performance
- Totally new horizontal saw line for mahogany, native logs and rain tree

As part of this, the Group is inviting tender proposals from Professional Firms to undertake an independent business case study that will form the basis for this venture.

Project Description:

This can be obtained by the following means:

From our website <https://www.tropik.com.fj/tenders/>
